

Tucson Electric Power

PUBLIC PARTICIPATION GET INVOLVED!

Tucson Electric Power (TEP) values your input and has made it easy and convenient to get involved in the decision-making process!

Public Participation Process

- Public open houses
- Homeowner Association Meetings
- Established Civic Group Meetings
- Stakeholder, Agency and Elected Official meetings

Public Participation Methods

(Materials available in Spanish)

How to Get Involved:

Fill out a comment form

Submit a comment form in person, online, or mail later

Email comments to IRV2Tucson@tep.com

Call 1-844-343-1303 and leave a voicemail message

TEP will document and summarize all comments as part of the public participation process. The public will have multiple opportunities to review project documents and provide comments.

Thank you for your interest in these projects!
